

Plastics in the Environment

Eco 360 Jr
Worksheet
Grade Level: 3-8

Action Planning Worksheet

1. Types of plastic I found (with recycling numbers)

2. Which of these items could have been recycled?

My Action Plan:

Choose 1 to 2 actions to take on:

1. Refusing plastic straws, unless they are necessary
2. Using a reusable water bottle/refusing plastic bottles
3. Shopping with reusable bags
4. Pick up plastic when you go for a walk
5. Using reusable snack containers/plastic-free containers
6. Buy my next clothing item at a second-hand store

Some questions to think about for action planning:

How am I going to achieve my goal?

How will I track my progress?

How will I share my achievement with others?
