This worksheet is not scored, but we greatly appreciate your feedback

## A. Efficacy of Challenge & Supporting Resources:

Please complete the table regarding the efficacy of the Challenge and associated learning.

|                                                                                                                | Not Effective            | Somewhat Effective       | Quite Effective          | Very Effective           |
|----------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------|--------------------------|--------------------------|
| Increased capacity in building learners' knowledge & understanding                                             | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| Learner understanding & skill development                                                                      | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| Providing learners the opportunity to impact change through action                                             | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| Increased capacity to deliver at least one of the following; energy, climate change and green economy learning | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| Aligned with curriculum connections and meet curriculum goals                                                  | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

# Educator Feedback

## B. Reflecting on YOUR experience:

**Tell us about your experience as an educator with the Energy Revealed Challenge:**

*Did you face any barriers? Did it align with your objectives? Did you use the resources? Do you have suggestions?*

## Reflecting on LEARNER Experience:

**Tell us about your learners' experiences the Energy Revealed Challenge.** Reflect on why this topic is important for your students to learn and if anything has changed as a result of your students participating in the challenge(s).

*Did they face any barriers? What were your learners most excited about? Do they have suggestions?*

***Please use this opportunity to share a testimonial from you or your students below.***
