B. Reflecting on YOUR experience:

Tell us about your experience as an educator with the Re-Energy Challenge:

Did you face any barriers? Did it align with your objectives? Did you use the resources? Do you have suggestions?

Reflecting on LEARNER Experience:

Tell us about your learners' experiences the Re-Energy Challenge. Reflect on why this topic is important for your students to learn and if anything has changed as a result of your students participating in the challenge(s).

Did they face any barriers? What were your learners most excited about? Do they have suggestions?

Please use this opportunity to share a testimonial from you or your students below.
