

# Build your own eCard!

With eCards, you can send a virtual message to people that make important decisions about our environment. You have a voice. You can make a difference.

## Step 1: Research

Select and research a topic that you are passionate about.

## Step 2: Create

Use the eCard worksheet to guide your design and message.

## Step 3: Feedback

Get feedback on your eCard from your educator or peers.

## Step 4: Send

Now it's time to submit your eCard. We'll send it out to your chosen decision-maker!

*How are you going to use your voice?*
